Dear Friends:

By the time you receive this letter, we hope that our new Pierce Velocity Class A Pumper (pictured below) will be "home" at the Burke Volunteer Fire & Rescue Department (BVFRD)! As we write, Fairfax County is installing communications equipment and other customizations to prepare the fire engine to join our fleet.

We also want to take this opportunity to acknowledge the support you provided us during the acquisition of the new engine, along with the thanks we receive from you every day when we are on duty or out in the community. Whether it's the Fourth of July, Lake Braddock Football games, or our upcoming Open House, we hope you take pride in your Station 414!

We fully expect to have the new engine on display during Open House, Saturday, October 15, 10 am - 4 pm. Please plan on joining us for a day of safety exhibits and demonstrations, and learn how you can serve your community by volunteering with us – operational and administrative support needed!

Our date for a "Push In" ceremony to dedicate the new truck will be posted online as soon as possible. Please visit www.bvfrd.org or like us on Facebook at www.facebook.com/bvfrd for updates.
